Managing eDiscovery in New Zealand

Understanding the practical impact of the High Court Discovery Rules 12 months on

To successfully conduct e-discovery under the new rules it is essential to have a comprehensive understanding of the entire electronic discovery process.

Electronic discovery in New Zealand (NZ) has grown significantly over the last year and there is a clear need for an event which allows NZ practitioners to develop their knowledge of this fast-changing area.

The Managing eDiscovery Conference will provide you with a practical insight into the e-discovery process, taking you back to the basics including a step by step guide to;

- ✓ each phase involved in the e-discovery process
- ✓ efficient practices for managing evidence in electronic form
- ✓ the tips and pitfalls when collecting, processing and presenting electronic evidence
- ✓ understanding and managing the of costs in e-discovery
- ✓ Insourcing v's outsourcing options
- ✓ the High Court Rules - hear first hand from His Honour Judge Harvey

The conference will cover all manner of litigation and regulatory matters – from small through to large scale, both local and international.

The conference will feature leading eDiscovery experts and practitioners from across New Zealand and Australia as well as the judicial perspective.
